CERTIFIED INSPECTION REPORT

We hereby certify that the material covered by this certificate has been inspected with, and has been found to meet the applicable requirements described therein, including any specifications forming a part of the description and that samples representative of the material met the composition limits and had the mechanical properties shown on the face of this sheet.

This test report shall not be reproduced except in full, without the written approval of the Quality Department. No alteration, addition or other change is authorized to be made to this certificate. The recording of false, fictitious, or otherwise fraudulent statements or entries on this certificate by any recipient may be punished as a felony under applicable law.

CERTIFIED INSPECTION REPORT

We hereby certify that the material covered by this certificate has been inspected with, and has been found to meet the applicable requirements described therein, including any specifications forming a part of the description and that samples representative of the material met the composition limits and had the mechanical properties shown on the face of this sheet.

This test report shall not be reproduced except in full, without the written approval of the Quality Department. No alteration, addition or other change is authorized to be made to this certificate. The recording of false, fictitious, or otherwise fraudulent statements or entries on this certificate by any recipient may be punished as a felony under applicable law.

- We hereby certify that material described herein has been manufactured and tested with satisfactory results in accordance with the requirement of the above material specification.
- The material described above has been detected with free irradiation.
- YUSLU has established a QMS according to ISO 9001 which is certified by DNV CERT (reg. no. 0958-2002-AQ-RQC-RVA).
- Inspection and gauge measurement: Satisfactory.
- The report can only be reproduced in full.
- This certificate complies to 3.1/DIN EN 10204:2005.
- The tests including: "Chemical Composition", "Tensile Test", "Hardness Test", "Bend Test", "Intergranular Attack" (I.K. TEST) have been accredited by AZLAC TESTING CERT #0958.02).
